

Getting and starting EDIUS 9

Required Steps

You need to do below steps to start EDIUS 9:

- 1) Create eID (EDIUS ID)
- 2) Install EDIUS 9
- 3) Activate Trial license
- 4) Log into eID

Creating eID

The user should visit EDIUS ID web site - <https://ediusid1.grassvalley.com/edius-id-web/login> - and follow these instructions:

- 1) Click [eID registration] button.
- 2) Enter your e-mail address and check the 'I have read the privacy policy and agree to its terms and conditions' box.
- 3) Click [Send] button.
- 4) A preliminary registration confirmation e-mail will be sent to the e-mail address registered. Once received, click the registration procedure URL link in the e-mail.
- 5) Complete all the required fields and read precautions.
- 6) Click [Confirm] button.
- 7) Click [My page] button.

Getting EDIUS 9 Trial Version

If you want to try EDIUS 9, get a trial serial number, which they can obtain from the eID [My Page].

- 1) Log onto EDIUS ID my page then choose EDIUS in the left-pane.
- 2) Choose either Pro or Workgroup trial edition from the drop-down menu.
- 3) Click [Send] button at the bottom of the web page.
- 4) An email titled 'Trial license Information' will be sent to the registered e-mail address. Click the link to download the trial version, and install it. Upon launching EDIUS 9, the user will be required to enter the serial number they have been given and the 30-day trial period will begin.

Installing EDIUS

Double-click EDIUS 9 installer then install EDIUS due to shown wizard. If EDIUS detects earlier version other than EDIUS 8.53.2802, you will be asked to uninstall. Click [OK] button then uninstall existing EDIUS and re-run EDIUS 9 installer.

Launching EDIUS

The first time EDIUS is launched, it will connect to the license activation system and you will be

requested to enter their EDIUS 9 Trial serial number. Once validated, they will then be required to enter their eID registered e-mail address and password. When these details are validated, EDIUS will launch.

Running EDIUS off-line

EDIUS 9 Trial version is not permitted offline use. Connect to internet before launching EDIUS.
